Event Check-in/Registration: Entry is limited to the first **250** players who register.

Entry Fee: \$275 for players and \$75 for spectators. Buffet and premium bar is included in the entry price.

High Roller Entry Fee: \$675. Players can significantly increase their chances of playing for a \$10,000 seat at the 2020 World Series of Poker. There is a 30 high roller player limit. A high roller seat guarantees a one in ten chance for a seat at the final table.

Start Time: Tournament begins at 6:00pm. All players should be registered and seated by 5:45 pm.

TOURNAMENT STRUCTURE

This tournament is a no-limit, single-elimination, Texas Hold'em Poker Tournament with multiple re-buys. All floor director decisions are final. Poker Tournament Directors Association rules apply if there are any questions. Players may be moved by tournament volunteers to different tables during any round to maintain a balanced number of players at each table and ensure fair and even play.

The tournament will begin at 6:00 pm sharp and will last until there is one (1) winner. Every player will begin with a 5000 chip count. There will be an opportunity at registration, and registration only, for a player to purchase **ONE 5000 chip add-on** prior to the start of play for \$100. Blinds will progress in the following increments every 15 minutes. Players will keep their chips with them for the entire tournament.

20 Minute break so tournament staff can color up and players can make final re-buy and add-on purchases

Re-buy and Add-on: Re-buys are available until after the 20 minute break that follows the 3000/6000 Blind Level. A player can purchase unlimited re-buys, one at a time, so long as their chip count is below 2500. Players may purchase a 5000 chip re-buy for \$100 or a 10,000 chip re-buy for \$200. Rebuys will be handled at the table or at the bank. If purchasing at the bank, the dealer will provide the player with a ticket to use to redeem their rebuy. In addition, once seated at the table at the beginning of play, each dealer will distribute one add-on ticket to each player in the room. Regardless of chip count, this add-on is available for purchase from the start of the tournament until after the 20 minute break that follows the 3000/6000 Blind Level. One 10,000 chip add-on can be purchased for \$100.
