

We did it!

Children's Oncology Services has earned the top 4-star rating from Charity Navigator, for the third year in a row!

This is the highest possible rating and indicates that Camp One Step adheres to sector best practices and executes its mission in a financially efficient way.

Attaining a 4-star rating verifies that we exceed industry standards and outperform most charities in our area. Only **26% of the charities** evaluated have received at least 3 consecutive 4-star evaluations.

Thank you for being a part of our mission to provide happiness to kids with cancer!

About Charity Navigator

Charity Navigator has become the nation's largest and most-utilized evaluator of charities. Specifically, Charity Navigator's rating system examines two broad areas of a charity's performance; their **Financial Health** and their **Accountability & Transparency**. Their ratings show givers how efficiently we believe a charity will use their support today, how well it has sustained its programs and services over time and their level of commitment to good governance, best practices and openness with information.
