

# SNAIL MAIL TAG

Participate in Snail Mail Tag by sending a handwritten letter to your camp besties.

TAG them to write a letter to the next person and see how many camp friends you can connect!

Be sure to read the [safety recommendations](#).

## Other ways to play:

1: Send the question to a joke and have your friend come up with the answer

2: Send your favorite recipe for a snack you can make together

3: Create a Fill In The Blank page for all your TAG friends to complete and share back with each other

4: Start a drawing that each friend will add to as the TAG continues to each person
