

WINTER WINDOW CLINGS

Instructions:

1. On a clean, white piece of paper, use a pencil and draw whatever design you want to be your decoration! Use your creativity and imagination! For this activity, we are drawing snowflakes! You can follow the design here or find one online.

2. Place wax paper overtop of your designs. You should be able to see the drawings underneath!

3. Tape your wax paper onto your white paper and then choose your favorite colors to paint your design!

Supplies Needed

- Wax Paper
- Printer Paper
- Pen/Pencil
- Puff Paint

4. Wait one day for the paint to dry and then the paint will be ready to peel off and decorate your window!
