## SHOOTING STAR

Please, won't you catch a shooting star for me  
And take it with you on your way.  
Although we just met, you're the friend I won't forget  
Hope some kinda wind blows you back my way.

### *Chorus*

And I was thinkin' maybe somewhere down the road,  
After all our stories have been told  
I'll sit and think of you, good friend I once knew,  
Shot through my life like a shooting star.

Sometimes I know that a part of you will show  
Deep in my heart and in my smile.  
There'll always be a part of you, deep inside my heart,  
And I'll know just when to let it show

### *Chorus*

You are so dear; you're my light and shining star.  
You brighten up each and every day.  
You are so near, but soon you'll be so far,  
So why not hold my hand today?

## CHANCE AFTER CHANCE

There is a spirit here, there is a friend yet to know,  
As many new spaces to share as there are roads.  
'Cause you are a part of me now, I'm a part of you, we  
All fit together some how, close your eyes and we'll see.

### *Chorus*

And we will fly, and we will sing,  
And we will rise, when we spread our wings.  
And we will fly, and we will dance,  
And we will try, chance after chance.

There is a spirit here, there is a friend yet to know,  
Tear down that shell you built well and just say hello.  
Touch me and I will remember, forever, you'll see,  
'Cause you are a part of me now, I'm a part of you we.

### *Chorus*

## WHEN OUR CAMPING DAYS ARE OVER

When our camping days are over, when we're far away,  
Think of me occasionally, As we are today  
The songs we sing, the things we do,  
Laughing at work and play,  
Think of me occasionally, as we are today

## LEAN ON ME

Sometimes in our lives  
We all have pain, we all have sorrow  
But, if we are wise  
We know that there's always tomorrow

### *Chorus*

Lean on me  
When you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Till I'm gonna need somebody to lean on

Please, swallow your pride  
If I have things, you need to borrow  
For, no one can fill  
Those of your needs that you won't let show

Just call on me brother  
When you need a hand  
We all need somebody to lean on  
I just might have a problem  
That you'd understand  
We all need somebody to lean on

### *Chorus*

Just call on me brother  
When you need a hand  
We all need somebody to lean on  
I just might have a problem  
That you'd understand  
We all need somebody to lean on

If there is a load  
You have to bear, that you can't carry  
I'm right up the road  
I'll share the load, if you just call on me

*Call me – if you need a friend  
Call me – call me  
Call me – if you need a friend  
Call me – call me*

## ONE STEP CAMP SONG

One step at a time is our goal  
One step at a time is our philosophy  
We're gonna have fun right here  
We'll jump - up - shout hurray and cheer

One step at a time is our goal  
One step at a time is our philosophy  
We're gonna have fun right here  
We'll jump - up - shout hurray and cheer

Good times to share, friends to make and games to play  
In the sun or in the rain  
When the week is done; we've had our fun, we're on our way  
So we'll sing that ole' refrain

One step at a time is our goal  
Our spirit's loud and clear  
And even if the food and staff is really - *BLECH*  
We'll STEP UP AGAIN next year!

## THAT'S WHAT FRIENDS ARE FOR

And I never thought I'd feel this way  
And as far I'm concerned  
I'm glad I got the chance to say  
That I do believe I love you

And if I should ever go away  
Well then close your eyes and try  
To feel the way we do today  
And then if you can remember

### *CHORUS*

Keep smilin', keep shinin'  
Knowing you can always count on me for sure  
That's what friends are for  
For good times, and bad times  
I'll be on your side forever more  
That's what friends are for

Well you came and opened me  
And now there's so much more I see  
And so by the way I thank you

And then for the times when we're apart  
Well then close your eyes and know  
These words are coming from my heart  
And then if you can remember

*CHORUS (x3)*

## **BANANAS**

B-A-N-A-N-A-S  
B-A-N-A-N-A-S  
Go Bananas, Go Go Bananas  
Go Bananas, Go Go Bananas  
You lean to the left and  
You lean to the right  
You peel down the middle  
And -UH-Take A Bite

*Repeat*

## **DO YOUR EARS HANG LOW**

Do your ears hang low?  
Do they wobble to and fro?  
Can you tie them in a knot?  
Can you tie them in a bow?  
Can you throw them over your shoulder,  
like a continental shoulder?  
Do your ears hang low?

*(repeat song, each time getting faster)*

## **WEENIE MAN**

I know a weenie man  
He owns a weenie stand  
He sells most anything  
From hotdogs on down  
Boom Boom Boom  
One day I'll be join his life  
I'll be his weenie wife  
Oh how I love that weenie man

Weenie Weenie Weenie  
On a bun bun bun  
Pass the mustard  
Oooh Ha Ha

Weenie Weenie Weenie  
On a bun bun bun  
That's the it goes

## **POOR LITTLE BUG ON THE WALL**

Poor little bug on the wall *(shrug shoulders with sad look on face)*  
No one to talk to at all *(wag one finger out in front saying "no")*  
No one to wipe his nose *(wipe nose)*  
No one to tickle his toes *(bend over or make motion to tickle toes)*  
Poor little bug on the wall *(shrug shoulders with sad look on face)*

*(repeat multiple times with different versions like underwater, by strumming lips while singing)*

## **STARS IN THE SKY**

Stars in the sky, stars in the sky  
Bring the summer right back to me  
Tell me you'll try, tell me you'll try  
To think about me whenever you see those  
Stars in the sky  
(Repeat)

It's just a letter from a friend of mine  
A little picture from another time  
A little picture of a place that we used to go

A word or two about a friend we miss  
A fond reminder of a promised kiss  
A fond reminder of a vow we made long ago

Stars in the sky, stars in the sky  
Bring the summer right back to me  
Tell me you'll try, tell me you'll try  
To think about me whenever you see those  
Stars in the sky

We went away when we were very young  
To find the person that we would become  
To find the person that was hidden somewhere inside

What we discovered there it still holds true  
The friends you make become a part of you  
The friends you make will each return to you like the tide

Stars in the sky, stars in the sky  
Bring the summer right back to me  
Tell me you'll try, tell me you'll try  
To think about me whenever you see those  
Stars in the sky

And if by chance you should be going there  
Please take this message that I hope you'll share  
Please take this message to the one's too young to have learned

The time is short and there's so much to do  
Don't waste a moment of what's given to you  
Don't waste a moment cause you'll never see it returned

Stars in the sky, stars in the sky  
Bring the summer right back to me  
Tell me you'll try, tell me you'll try  
To think about me whenever you see those  
Stars in the sky  
(Repeat)

### JUST A BOY AND A GIRL

Just a boy and girl in a little canoe  
With the moon shining all around  
They paddled and they paddled for miles and miles  
You couldn't even hear a sound

So they talked and they talked  
'Till the moon grew dim  
Then the boy said kiss me  
Or get out and swim

So whatcha gonna do in a little canoe  
With the moon shining all a-  
The boy swimming all a-  
The girl paddling back to town!

### WEE WEE SONG

#### *Refrain*

Wee wee Wee wee  
Wee wee wee wee wee wee  
Wee wee wee wee wee wee wee wee wee wee wee wee

Ohhhh, When I was a wee wee tot  
They took me off my wee wee cot  
And put me on my wee wee pot  
To see if I would wee or not

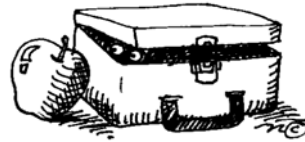

#### *Refrain*

And, when they saw that I would not  
They took me off my wee wee pot  
And put me on my wee wee cot  
And then I gave it all I got

#### *Refrain*

### LUNCH SONG

Great green gobs of greasy, grimy gopher guts  
Mutilated monkey's meat  
Dirty little birdies feet  
French fried eyeballs swimmin' in a bowl of blood  
And I forgot my spoon! RATS!  
But I've got this fork!

### JOHN JACOB JINGLE HEIMER SCHMIDT

John Jacob Jingle Heimer Schmidt  
His name is my name too  
Whenever we go out, the people always shout:  
John Jacob Jingle Heimer Schmidt  
Dah Dah Dah Dah Dah Dah

*Repeat first three lines softer and the last two lines louder.*

### SEASONS OF LOVE

Five hundred twenty-five thousand six hundred minutes  
Five hundred twenty-five thousand moments so dear  
Five hundred twenty-five thousand six hundred minutes  
How do you measure, measure a year?

In daylights, in sunsets  
In midnights, in cups of coffee  
In inches, in miles, in laughter, in strife  
In five hundred twenty-five thousand six hundred minutes  
How do you measure, a year in the life?

How about love?  
How about love?  
How about love?  
Measure in love

Five hundred twenty-five thousand six hundred minutes  
Five hundred twenty-five thousand journeys to plan  
Five hundred twenty-five thousand six hundred minutes  
How do you measure the life of a woman or a man?

In truths that she learned  
Or in times that he cried  
In bridges he burned  
Or the way that she died

It's time now, to sing out  
Though the story never ends  
Let's celebrate  
Remember a year in the life of friends

Remember the love  
(Oh, you got to, you got to remember the love)  
Remember the love  
(You know that life is a gift from up above)  
Remember the love  
(Share love, give love, spread love)  
Measure in love  
(Measure, measure your life in love)

Seasons of love  
Seasons of love  
(Measure your life, measure you life in love)

## IT'S A GREAT DAY TO BE ALIVE

(TRAVIS TRITT – written by D. Scott) ©1995 EMI April Music, Inc.

I Got Rice cooking in the microwave  
Got a three day beard I don't plan to shave  
And its a goofy thing but I just gotta say  
Hey I'm doing alright.  
Yeah I think I'll make me some homemade soup  
Feel'n pretty good and that's the truth  
It's neither drink nor drug induced  
No Im just doin' alright

**And it's a great day to be alive  
I know the suns still shinin' when I close my eyes  
There's some hard times in the neighborhood  
But why can't every day be just this good?**

It's been 15 years since I left home  
Said good luck to every seed I'd sown,  
Give it my best and then I left it alone  
Ohhh I hope their doin' alright.  
Now I look in the mirror and what do I see?  
A lone wolf there ... starin' back at me,  
Long in the tooth but harmless as can be,  
Lord I guess he's doin' alright

**And it's a great day to be alive  
I know the suns still shinin' when I close my eyes  
There's some hard times in the neighborhood  
But why can't every day be just this good?**

Sometimes its lonely Sometimes its only  
me and The shadows that fill this room,  
Sometimes I'm fallin' desperately callin'  
Howlin' at the moon Ahhhwwooooooo! Ahhhwwooooooo!  
Well I might go get me a new tatoo  
or Take my old Harley for a three day cruise  
Might even grow me a fu man chu...  
Oh! Ah!

**And it's a great day to be alive  
I know the suns still shinin' when I close my eyes  
There's some hard times in the neighborhood  
But why can't every day be just this good?**

**And it's a great day to be alive  
I know the suns still shinin' when I close my eyes  
There's some hard times in the neighborhood  
But why can't every day be just this good?**

## TOM THE TOAD (sung to the tune of *Oh, Christmas Tree*)

Oh Tom the Toad  
Oh Tom the Toad  
Why did you jump in to the road  
Oh Tom the Toad  
Oh Tom the Toad  
Why did you jump in to the road

You didn't see the coming car  
And now you are part of the tar

Oh Tom the Toad  
Oh Tom the Toad  
Why did you jump in to the road

You once were alive, but now you're dead  
Your face resembles tire tread

Oh Tom the Toad  
Oh Tom the Toad  
Why did you jump in to the road

You used to be so green and fat  
But now you are so red and *FLAT*

Oh Tom the Toad  
Oh Tom the Toad  
Why did you jump in to the road

With a basketball in my hand  
I'm gonna be Michael Jordan

Michael Jordan  
Pizza Man

*Leader:* Mamma don't wear no socks

*Leader:* I was there when she took 'em off

*Leader:* She threw them in the tree

*Leader:* Now that dog refuses to pee

*Audience replies with A Ding Dong*

*Reply:* A Ding Dong

*Reply:* A Ding Dong

*Everyone sings Refrain*

A ding dong dong dong dong

A ding dong dong dong dong

A ding dong dong dong dong

A ding dong

*Call out the name of a person in the audience to use each time in place of "Mamma"*

*Other phrases to use or make up your own:*

She/he threw them on the chair - Now the chair is growing hair

She/he threw them in the sky - Superman refused to fly

She/he threw them in the river - their canoe began to quiver

She/he threw them in the ocean - now those fish are in slow motion

She/he threw them on the floor - now those roaches are no more

She/he threw them in outer space - that's the end of our human race

She/he threw them at the clock - it no longer goes tick or tock

She/he threw them in a boat - now that boat can barely float

She/he threw them in my mouth - now my teeth are falling south

She/he threw them in a hole - I wouldn't go near it with a 10ft pole

She/he threw them at King Kong - now that's the end of this silly song

## WAY DOWN YONDER (this is a repeat after me song)

Way down yonder not far away

A blue jay died of a whooping cough

He whooped and he whooped and he whooped so hard

He whooped his head and his tail right off

Second verse, same as the first, a little bit louder, and a little bit worse!

Way down yonder not far away

A blue jay died of a whooping cough

He whooped and he whooped and he whooped so hard

He whooped his head and his tail right off

Third verse, same as the first, a whole lot louder, and a whole lot worse!

Way down yonder not far away

A blue jay died of a whooping cough

He whooped and he whooped and he whooped so hard

He whooped his head and his tail right off!

## THE SONG THAT NEVER ENDS

This is the song that never ends

Yes, It goes on and on my friend

Some people started singing it not knowing what it was

And we'll just keep on singing it forever just because

*Repeat (over and over and over and over)*

## RAINBOW CONNECTION

Why are there so many songs about rainbows  
and what's on the other side?

Rainbows are visions, but only illusions,  
and rainbows have nothing to hide.

So we've been told and some choose to believe it.

I know they're wrong, wait and see.

Someday we'll find it, the rainbow connection.

The lovers, the dreamers and me.

Who said that every wish would be heard

and answered when wished on the morning star?

Somebody thought of that and someone believed it.

Look what it's done so far.

What's so amazing that keeps us star gazing

and what do we think we might see?

Someday we'll find it, the rainbow connection.

The lovers, the dreamers and me.

All of us under its spell. We know that it's probably magic.

Have you been half asleep and have you heard voices?

I've heard them calling my name.

Is this the sweet sound that called the young sailors.

The voice might be one and the same.

I've heard it too many times to ignore it.

It's something that I'm supposed to be.

Someday we'll find it, the rainbow connection.

The lovers, the dreamers and me.

## STAND BY ME

When the night has come and the land is dark

And the moon is the only light we'll see

No I won't be afraid, no I won't be afraid

Just as long as you stand, stand by me

So darlin', darlin', stand by me, oh now now stand by me

Stand by me, stand by me

If the sky that we look upon should tumble and fall

And the mountains should crumble to the sea

I won't cry, I won't cry, no I won't shed a tear

Just as long as you stand, stand by me

So darlin', darlin', stand by me, oh stand by me

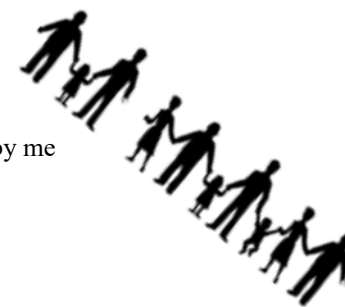

Stand by me, stand by me, stand by me-e, yeah

Whenever you're in trouble won't you stand by me, oh now now stand by me

Oh stand by me, stand by me, stand by me

Darlin', darlin', stand by me-e, stand by me

Oh stand by me, stand by me, stand by me

## SOMEWHERE OVER THE RAINBOW

Somewhere over the rainbow  
Way up high  
There's a land that I heard of once in a lullaby

Somewhere over the rainbow  
Skies are blue  
And the dreams that you dare to dream  
Really do come true

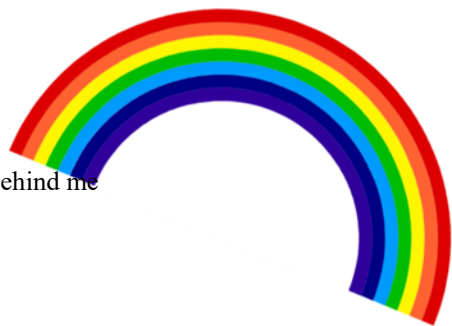

Someday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
A way above the chimney tops  
That's where you'll find me

Somewhere over the rainbow  
Blue birds fly  
Birds fly over the rainbow  
Why then oh why can't I?

Someday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
A way above the chimney tops  
That's where you'll find me

Somewhere over the rainbow  
Blue birds fly  
Birds fly over the rainbow  
Why then oh why can't I?

If happy little blue birds fly beyond the rainbow  
Why oh why can't I?

## TRUE COLORS

You with the sad eyes, don't be discouraged  
oh I realize it's hard to take courage  
in a world full of people you can lose sight of it all  
and the darkness inside you can make you feel so small

But I see your true colors shining through  
I see your true colors and that's why I love you  
so don't be afraid to let them show your true colors  
true colors are beautiful, like a rainbow

Show me a smile then don't be unhappy, can't remember  
when I last saw you laughing if this world makes you crazy  
and you've taken all you can bear you call me up because you know I'll be there

And I'll see your true colors shining through  
I see your true colors and that's why I love you  
so don't be afraid to let them show your true colors  
true colors are beautiful like a rainbow

## THE ANTS GO MARCHING

The ants go marching one by one, hurrah, hurrah!  
The ants go marching one by one, hurrah, hurrah!  
The little one stops to suck his thumb  
And they all go marching down to the ground  
To get out of the rain, boom, boom, boom  
...two by two...tie his shoe  
...three by three...climb a tree  
...four by four...shut the door  
...five by five...look alive  
...six by six...pick up sticks  
...seven by seven...all is heaven  
...eight by eight...shut the gate  
...nine by nine...check the time  
...ten by ten...to say "The End!"

## IF I WERE NOT A ONE STEPPER

If I were not a One Stepper, I wonder what I'd be  
If I were not a One Stepper  
A bird watcher I'd be... Hark a lark, flying through the park, SPLAT!

*Call out the names of people in the audience  
and they will reply with one of the options below*

- 2) A Plumber I would be... Plunge it, flush it, look out below!
- 3) A Carpenter. I'd be... Two by four nail it to the floor!
- 4) A Flight attendant I'd be... Coffee, tea, here's your little bag, BLEH!

Late last night when we were all in bed

“It’ll be a hot time in the old town tonight.”  
Fire! Fire! Fire!

*Second verse, repeat entire song softer and the last line louder.*

*Third verse, continue to get softer/louder until you’re whispering the song and screaming “Fire! Fire! Fire”*

He drank up all the water, he ate up all the soap.  
And now he's sick in bed, with a bubble in his throat! (Hiccup!)

### THE GOODNIGHT SONG

When the sun is slowly setting  
And the moon begins to shine  
There’s a song that I sing to my friends  
To keep them feeling fine

*Chorus*

Good, goodnight to you  
The whole night through  
May you dream of love, peace, and hope  
And may all your dreams come through

When you need someone to talk to  
Or you just need someone to hold  
Now you know you’ve got someone to turn to  
To help keep out the cold

*Chorus*

This world’s so full of beauty  
But this world can still bring us pain  
So if you need someone to lean on  
You can call, you can call my name

When the sun has long since vanished  
And the moon lights up the sky  
I’ll be thinking of all my friends  
As I sing this lullaby

*Chorus*

### YOU’VE GOT A FRIEND IN ME

You've got a friend in me, You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles from your nice warm bed  
Just remember what your old pal said  
Boy, you've got a friend in me  
You've got a friend in me, You've got a friend in me, You've got a friend in me

You've got troubles, well I've got 'em too  
There isn't anything I wouldn't do for you  
We stick together and we see it through  
You've got a friend in me, You've got a friend in me

Some other folks might be a little bit smarter than I am  
Bigger and stronger too, Maybe  
But none of them will ever love you the way I do, It's me and you  
And as the years go by  
Boys, our friendship will never die  
You're gonna see It's our destiny  
You've got a friend in me, You've got a friend in me, You've got a friend in me

A 7-up to fill me up

And I walked around the block  
And I walked right in to the donut shop  
I scooped a donut right out of the grease  
And I handed the lady a 5-cent piece

She looked at the nickel, and she looked at me  
She said, "This nickel isn't good you see.  
There's a hole in the middle; I can see right through."  
I said, "There's a hole in the donut too.  
Thanks for the donut, so long."

Great green gobs of greasy grimey gopher guts,  
Mutilated monkey meet, little birdies dirty feet,  
all wrapped up in pretty purple porpoise puss,  
and me without my spoon!  
But I've got my straw . . .

## SKUNK'S HOLE

Well, I stuck my head in a little skunk's hole  
and the little skunk said "Well bless my soul.  
Take it out. Take it out. Take it out.  
Remooooove it."

Well, I didn't take it out  
and the little skunk said, "If you don't take it out, you'll wish you had.  
Take it out. Take it out. Take it out.  
Remooooove it."

Pssssssssssssssssssssss  
I removed it too late!

## HERMAN THE WORM

And he was this big (make a motion as if measuring a tiny worm)

And I said: "Herman? What happened?" "I ate my sister."

## THE AARDVARK SONG

There is an aardvark (aardvark) in the park  
They say he's missing from the zoo (the zoo)  
And the police are looking high and low  
'Cause they have not seen him have you?

Why did he go oh oh oh I'll tell you the reason  
'Cause ('cause) it's (it's) aardvark mating season  
When an aardvark makes a date  
He slips right through that old zoo gate

So if you see two aardvarks necking in the park  
Don't upset their apple cart  
Do not be a spy, you're not the FBI  
You should never break an aardvarks heart

To be an aardvark is not easy folks  
'Cause all you get to eat is ants (is ants)  
And all other animals make jokes  
At your attempt to find romance (romance)

Nobody laughs (laughs) at (at) hippopota-  
mus'  
Or (or) at (at) fat rhinoceroses  
But an aardvark makes them howl  
Because he's neither fish nor fowl

He's like a kangaroo in love with a ginu  
And that's what makes the zoo folks laugh (ha ha ha)  
All of this is so and here's how I know  
I'm your friendly neighborhood giraffe (long neck!)

## LITTLE RED WAGON

You can't ride in my little red wagon (*repeat*)  
The front seat's broken and the axle's draggin' (*repeat*)  
Chug A Chug A Chug A Chug (*repeat*)

Second verse, same as the first (*repeat*)  
A whole lot louder and a whole lot worse (*repeat*)

You can't ride in my little red wagon (*repeat*)  
The front seat's broken and the axle's draggin' (*repeat*)  
Chug A Chug A Chug A Chug (*repeat*)

The third verse doesn't exist (*repeat*)  
But if it did it'd sound something like this (*repeat*)

You can't ride in my little red wagon (*repeat*)  
The front seat's broken and the axle's draggin' (*repeat*)  
Chug A Chug A Chug A Chug (*repeat*)

Fourth verse doesn't exist (*repeat*)  
I'm really not kidding it doesn't exist (*repeat*)

### PASS IT ON

It only takes a spark to get a fire going  
And soon all those around can warm up to its glowing  
That's how it is with our love  
Once you've experienced it  
You spread your joy to everyone  
You want to pass it on

What a wondrous time is spring when all the trees are budding  
The birds begin to sing, the flowers start their blooming  
That's how it is with our love  
Once you've experienced it  
You want to sing, it's fresh like spring  
You want to pass it on

I wish for you my friend, this happiness that I've found  
You can come join in, it matters not where you're bound  
I'll shout it from the mountain tops  
I want the world to know  
The joy of friends has come to me  
I want to pass it on

### BILLBOARD SONG

When I was walking down the street, a billboard caught my eye.  
The advertisements written there would make you laugh and cry.  
The sign was torn and tattered from the storm the night before,  
And as I gazed upon it, well, this is what I saw:

Smoke Coca-Cola cigarettes. Drink Wrigley's Spearmint beer.  
Ken-L-Ration dog food makes your wife's complexion clear.  
Chew chocolate-covered mothballs—they're sure to satisfy.  
Brush your teeth with Lifebuoy soap and watch the suds go by.

When I recovered from the shock, I went along my way.  
I'd gone no further than a block, when there to my dismay,  
Another billboard caught my eye, just like the one before,  
And as I gazed upon it, well, this is what I saw:

Take your next vacation in a brand-new Frigidaire.  
Learn to play piano in your winter underwear.  
Simonize your baby with a Hershey's candy bar,  
And see the difference that Drano makes in all the movie stars!

Doctors say that babies shouldn't smoke 'til they are three.  
People over 35, take baths in Lipton Tea.  
Oh, you can make America a better place today—  
Just buy a copy of this song and throw it far away!

### ON TOP OF SPAGHETTI

On top of spaghetti all covered with cheese,  
I lost my poor meatball when somebody sneezed.

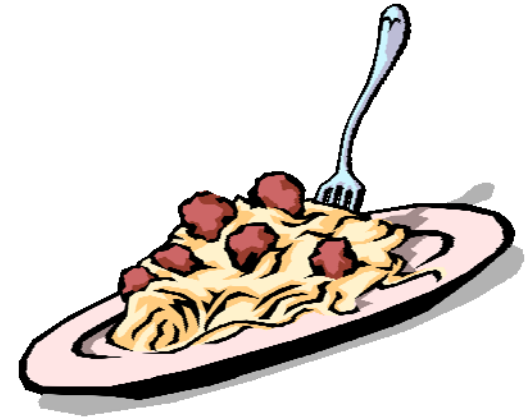

It rolled off the table, and on to the floor,  
And then my poor meatball rolled out of the door.

It rolled in the garden,  
And under a bush,  
And then my poor meatball,  
Was nothing but mush.

The mush was as tasty  
As tasty could be,  
And then the next summer,  
It grew into a tree.

The tree was all covered,  
All covered with moss,  
And on it grew meatballs,  
And tomato sauce.

So when eating spaghetti,  
All covered with cheese,  
Hold on to your meatball,  
Whenever you sneeze.

### THE MOOSE SONG

There was a great big moose!  
He liked to drink a lot of juice.  
There was a great big moose!  
He liked to drink a lot of juice.

#### *Chorus*

I said a waaayyyy-oh  
Way oh way oh way oh way oh  
Way oh way oh  
Way oh way oh way oh way oh

The moose's name was Fred.  
He liked to drink his juice in bed.  
The moose's name was Fred.  
He liked to drink his juice in bed. *Chorus*

He drank his juice with care,  
but he spilled some in his hair.  
He drank his juice with care,  
but he spilled some in his hair. *Chorus*

Now he's a sticky moose  
FULL OF JUICE!!

On the loose (*on 'loose' make your voice as high as possible and last as long as possible*)  
Way oh way oh way oh way oh (*short and sweet*)

Laughing happy fish heads,  
In the evening,  
Floating in the soup,

Fish heads fish heads,  
Roly poly fish heads,  
Fish heads fish heads,  
Eat them up yum

Ask a fish head,  
Anything you want to,  
They won't answer,  
They can't talk

Fish heads fish heads,  
Roly poly fish heads,  
Fish heads fish heads,  
Eat them up yum

I took a fish head,  
Out to see a movie,  
Didn't have to pay  
To get it in

Fish heads fish heads,  
Roly poly fish heads,  
Fish heads fish heads,  
Eat them up yum

They cant play baseball,  
They dont wear sweaters,  
There not good dancers,  
They dont play drums

Fish heads fish heads,  
Roly poly fish heads,  
Fish heads fish heads,  
Eat them up yum

Roly poly fish heads are never seen  
Drinking cappucino in Italian resturants,  
With oriental women, yeah

Fish heads fish heads,  
Roly poly fish heads,  
Fish heads fish heads,  
Eat them up yum

Fish heads fish heads,  
Roly poly fish heads,  
Fish heads fish heads,  
Eat them up yum, (yum!)

Fish heads fish heads,  
Roly poly fish heads,  
Fish heads fish heads,  
Eat them up yum

Fish heads fish heads,

Fish heads fish heads,  
Eat them up yum,

Yea..

## **PRINCESS PAT** (this is a repeat after me song)

Lived in a tree  
She sailed across  
The seven seas  
She sailed across  
The channel too  
And took with her  
A Rick-A-Bamboo

### *Refrain*

A Rick-A-Bamboo  
Now what is that  
It's a something made  
By the Princess Pat  
It's red & gold  
And purple too  
That's why it's called  
A Rick-A-Bamboo

Now Captain Jack  
Had a mighty fine crew  
He sailed across  
The channel too  
But his ship sank  
And yours will too  
If you don't take  
A Rick-A-Bamboo

I jump between the sheets with nothing on at all

Glory, glory Halleluiah  
Glory, glory what's it to ya  
Balmy breezes blowin' through ya  
With nothing on at all

## I KNOW AN OLD LADY

I know an old lady who swallowed a FLY...  
perhaps she'll die

I know an old lady who swallowed a SPIDER,  
it wriggled and jiggled and tickled inside her  
She swallowed the spider to catch the FLY  
but I don't know why she swallowed the FLY...  
perhaps she'll die

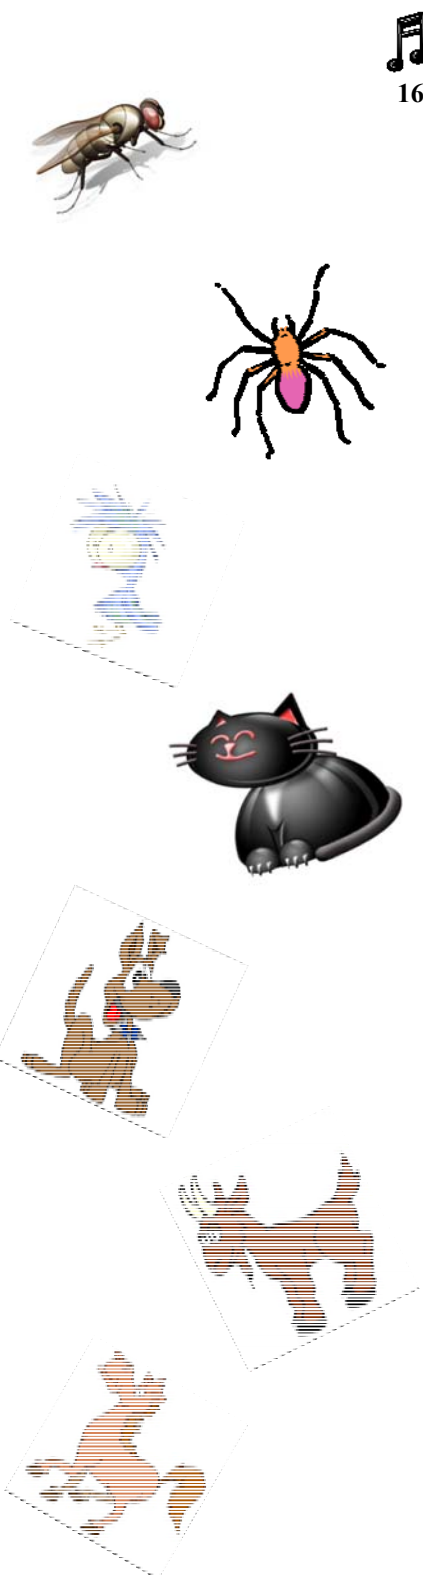

I know an old lady who swallowed a BIRD,  
How absurd to swallow a bird  
She swallowed the bird to catch the SPIDER  
that wriggled and jiggled and tickled inside her  
She swallowed the spider to catch the FLY  
but I don't know why she swallowed the FLY...  
perhaps she'll die

I know an old lady who swallowed a CAT,  
Imagine that, she swallowed a CAT  
She swallowed the cat to catch the BIRD  
She swallowed the bird to catch the SPIDER  
that wriggled and jiggled and tickled inside her  
She swallowed the spider to catch the FLY  
but I don't know why she swallowed the FLY...  
perhaps she'll die

I know an old lady who swallowed a DOG,  
What a hog she swallowed a DOG  
She swallowed the DOG to catch the CAT  
She swallowed the cat to catch the BIRD  
She swallowed the bird to catch the SPIDER  
that wriggled and jiggled and tickled inside her  
She swallowed the spider to catch the FLY  
but I don't know why she swallowed the FLY...  
perhaps she'll die

I know an old lady who swallowed a GOAT,  
Just opened her throat and in walked a GOAT  
She swallowed the GOAT to swallow the DOG  
She swallowed the DOG to catch the CAT  
She swallowed the cat to catch the BIRD  
She swallowed the bird to catch the SPIDER  
that wriggled and jiggled and tickled inside her  
She swallowed the spider to catch the FLY  
but I don't know why she swallowed the FLY...  
perhaps she'll die

I know an old lady who swallowed a HORSE...  
She's dead of course.

## BUFFALO SONG

Across the windswept desert  
Where nature knows no man..  
A buffalo and his brother  
Were lying in the sand  
Said the buffalo to his brother  
"Why do you lie that way?"  
But the buffalo did not answer  
Because he's been dead since May  
Since way last Maaayyy

Where coleslaw knows no man.  
A buffalo and his butter

Said the buffalo to his butter  
"Why do you spread that way?"  
But the butter did not answer  
'Cause it was not Parkay  
It's not Paarrkkaayy

## **I'D LIKE TO LIVE IN THE OCEAN**

Tune: "My Bonnie Lives Over The Ocean"

I'd like to live in the ocean.  
I'd like to live in the bay.  
I'd go to school with the fishes  
And swim around all day.

Swim, swim, swim, swim  
I'd like to swim all da-ay.  
Swim, swim, swim, swim,  
Watch me swim and play.

## **BLACK SOCKS**

Black socks, they never get dirty  
The longer I wear them the stronger they get  
Sometimes I think I should wash them  
But something inside me keeps saying not yet  
Not yet, not yet, not yet

## IF ALL OF THE RAINDROPS

If all of the raindrops were lemondrops and gumdrops  
Oh, what a rain that would be!  
I would stand outside with my mouth open wide  
Ah, ah, ah, ah, ah, ah, ah, ah, ah, ah  
If all of the raindrops were lemondrops and gumdrops  
Oh, what a rain that would be!

If all the snowflakes were Hershey bars and milkshakes  
Oh, what a snow that would be!  
I would stand outside with my mouth open wide  
Ah, ah, ah, ah, ah, ah, ah, ah, ah, ah  
If all the snowflakes were Hershey bars and milkshakes  
Oh, what a snow that would be!

If all of the rainbows were M&M's and Ho-Ho's  
Oh, what a bow that would be!  
I would stand outside with my mouth open wide  
Ah, ah, ah, ah, ah, ah, ah, ah, ah, ah

## I SAW A BEAR (this is a repeat after me song)

The other day  
I saw a bear  
A great big bear  
Oh way out there

He looked at me  
I looked at him  
He sized up me  
I sized up him

He said to me  
Why don't you run  
I see you ain't  
Got any gun

And so I ran  
Away from there  
But right behind  
Me was that bear

In front of me  
There was a tree  
A great big tree  
Oh Glory me

The nearest branch  
Was ten feet up  
I'd have to jump  
And trust my luck

And so I jumped  
Into the air  
But I missed that branch  
Oh way up there

Now don't you fret  
And don't you frown  
Cause I caught that branch  
On the way back down

That's all there is  
There ain't no more  
Unless I meet  
That bear once more

*Repeat line by line, then the entire stanza together*

## TARZAN (this is a repeat after me song)

Tarzan  
Swinging on a rubberband  
Tarzan  
Crashed in to a fryin' pan  
Ooh, that hurts  
Now Tarzan has a tan

Jane  
Crusin' in an airplane  
Jane  
Crashed into a traffic lane  
Ooh, that hurts  
Now Jane has a pain

Cheetah  
Dancin' on a pizza  
Cheetah  
Burnt his little feets-a  
Ooh, that hurts  
Now Cheetah is Velveeta!

## THREE BEARS SONG

Once upon a time in a nursery rhyme  
There were the three bears - Cha, cha, cha

One day they were walkin'  
In the woods they were talkin'  
When along came a little girl  
With long flowing golden curls

Her name was Goldilocks  
And up upon the door she knocked  
She didn't care, that no one was there  
She walked right in, chicha boom, chicha boom

Home came those three bears  
"Someone's been eating my porridge," said the Papa bear. Said the papa bear  
"Someone's been eating my porridge," said the Mama bear. Said the mama bear  
"Hey little wee bear," said the little Wee bear. "Someone has broken my chair!" HUH!

Goldilocks she woke up  
she broke up - the party  
And she beated out of there. She beated out of there.

"Bye, bye, bye, bye," said the Papa bear. Said the papa bear  
"Bye, bye, bye, bye," said the Mama bear. Said the mama bear  
"Hey little wee bear," said the little Wee bear. "Bye, bye, bye, bye, bye, bye, bye!"  
HUH!

## DOWN BY THE BAY

Down by the bay  
Where the watermelons grow  
Back to my home  
I will not go  
For if I do  
My mother will say,  
"Have you ever seen a whale with a polka-dotted tail  
down by the bay?"

Down by the bay  
Where the watermelons grow  
Back to my home  
I will not go  
For if I do  
My mother will say,  
"Have you ever seen a cat wearing a hat down by the bay?"

Down by the bay  
Where the watermelons grow  
Back to my home  
I will not go  
For if I do  
My mother will say,  
"Have you ever seen a goose kissing a moose down by the bay?"

*Keep repeating with as many rhymes as you can think of*

### FOUND A PEANUT

Found a peanut, found a peanut  
Found a peanut just now  
Just now I found a peanut  
Found a peanut just now

Cracked it open, cracked it open  
Cracked it open just now  
Just now I cracked it open  
Cracked it open just now

It was rotten ...  
Ate it anyway ...  
Got a stomach ache ...  
Called the doctor ...  
Operation ...  
Died anyway...  
Was a dream ...  
Then I woke up ...  
Found a peanut ...

### HAVE YOU EVER BEEN A-FISHING

Have you ever been a-fishing on a hot summer day,  
And seen the little fishies swimming up and down the bay,  
With their hands in their pockets and their pockets in their pants  
And all the little fishies doin' the hootchie kootchie dance.

#### *Chorus*

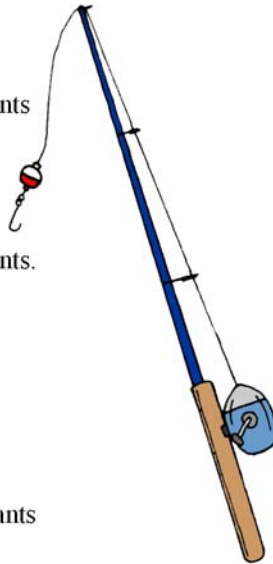

Tra-la-la-la-la, tra-la-la-la.  
Tra-la-la-la-la, tra-la-la-la.  
With their hands in their pockets and their pockets in their pants.  
All the little fishies doin' the hootchie kootchie dance.

Have you ever been fishing on a hot and sunny day  
Just sitting on a bench and the bench gives away,  
With an alligator snapping at the seat of your pants,  
And all the little fishies doin' the hootchie kootchie dance.

Have you ever been fishing on a cold winter day  
And seen the little fishies frozen solid in the bay,  
With their hands in their pockets and their pockets on their pants  
And it's too darn cold to do the hootchie kootchie dance.

Have you ever been fishing on a wet and rainy day,  
And seen the little fishies with umbrellas in the bay,  
With their hands in their pockets and their pockets on their pants,  
All the little fishies doin' the hootchie kootchie dance.

Have you ever been fishing on a hot and cold day,  
And seen the little fishies all confused in the bay,  
With their hands in their pockets and their pockets on their shirts,  
They're too darn confused to do the hootchie kootchie dance.

in the good ol' summertime?  
Oh, a loop-de-loop in the noodle soup,  
go give socks a shine  
I'm guilty judge, I stole the fudge  
3 cheers for auld lang syne  
I cannot tell a lie, I hooked an apple pie,  
it's on a tree, beneath the sea, above the bright blue sky!  
Oh, easter eggs don't shave their legs,  
their children will have ducks (QUACK, QUACK!)  
I'd rather buy a lemon pie for 47 bucks

I jumped into a foamea,  
but that is all balonea,  
Patterisky blow your horn, TOOT
